STANFORD, KY., FRIDAY, APRIL 10, 1908.

NO. 11.

## PREACHERSVILLE.

Born, to the wife of Walter Jordan, a fine girl.

Candy Anderson, colored, is our new mail carrier.

John Rigby bought a bunch of hogs of various parties at 4c to 4 1/2c.

Master Joe Cress is mourning the loss of "Old Bess," his well-known stock driver. She was a very intelligent dog.

Mrs. Joe M. Lunsford, who has been very ill, is some better. Aunt Lucinda Anderson is indisposed. Word has been received by relatives here that Rev. W. T. B. White is very ill at Harrodsburg.

Miss Ruth Durham, who is attending school in Omaha, Neb., writes her friends here that the past winter was very mild and there has only been one-half day's rain since October.

Some tobacco plant beds belonging to Smith & Collett were scraped and the canyons destroyed a few nights since. It is not thought to be the work of night riders but that of bad boys.

Phil Thompson and wife, of Gilbert Creek, visited her parents here. Misses Hallie Brown, of Garrard, and Ella Thompson, of this place, visited Mrs. E. J. Brown at Stanford. Mr. and Mrs. W. C. Cummins visited her father, Henry Newland, at Cedar Creek. Ben Pherigo, of Lexington, visited his aunt, Mrs. H. G. Cummins. Henry Blankenship and wife visited at Paint Lick. David Smith made a business trip to Pineville and Middlesboro.

Mrs. J. B. McCreary, who has been ill most of the season under the physicians in Baltimore, has joined the Senator at the Ebbitt House. The absence of Mrs. McCreary has been deeply deplored by social Washington. She has always been one of the notably gracious and accomplished hostesses of the Capital, around whose standard the gay world loved to rally.—Washington letter to Sunday's Courier Journal.

## Plenty Of Trouble

is caused by stagnation of the liver and bowels. To get rid of it and headache and biliousness and the poison that brings jaundice, take Dr. King's New Life Pills, the reliable purifiers that do the work without grinding or griping. 25c. at Penny's Drug Store.

Just inside the town limits of Monticello, on the White farm, a gas well came in flowing six million feet by mercury test.

## Antecarlo 2:26 1-2,

Made over Versailles track in winning race, sired by Antec 2:16 1/2, that sold for \$5000 at public sale, 1st dam Mary Ann, by Hallstorm 3:12, son of Mambrino Patchen. These two crosses produced the Antecarlo, 2:26 1/2, champion trotting gelding of the world, 2nd dam by Independence, son of Andrew Jackson, Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Antecarlo's 2:26 1/2, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two top crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 15 1/2 hands high, weighing 1,170 pounds, fine style and action. Will stand at \$10 to insure mare colts and \$5 to insure horse colts.

## BUCK VARNON.

Black Jack with white points, 5 years old, 15 1/2 hands high. Fine breeder and great individual. A jack of the bone and action. Will stand at \$10 to insure a living colt. Lien retained on colts for season money. Mares traded to other breeders for life insurance and makes season money due. All will stand at my farm on Ottenheim place 5 miles from Stanford. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should and occur. DIBSON & SMITH, Stanford, Ky.

## What to do in Dyspepsia

Dieting has become a great fad in America, and just as, years ago, we, as a nation, over-ate, so now we are under-eating. The one is as bad as the other. Man needs food and plenty of it to sustain life and to give strength to compete in this busy world.

It is not, however, the fact that you may eat too much that hurts you, but that you don't digest what you eat. And if that results in dyspepsia you will not cure the trouble by cutting down your food supply. If your digestive organs are not doing the proper amount of gastric and pepsin juices you would have no dyspepsia. To cure the disease you must create an abundance of these necessary juices.

This can only be done by a reliable tonic laxative, and, as its name indicates, Dr. Caldwell's Syrup Pepsin contains the very ingredients needed to do this. Take it regularly for awhile according to the explicit directions on each bottle and you will soon be cured of dyspepsia and any of the accompanying symptoms such as heartburn, sour stomach, bloated stomach, hives, pimples, sallow complexion, wind on the stomach, etc. Every bottle carries with it an absolute guarantee to do what we claim. It is a gentle, pleasant, effective laxative and you will like its taste and be pleased with its action.

One of the great friends of this remedy is Harry F. Keator, a lieutenant in one of the Chicago companies that fought at the battle of Santiago. While in the west trenches, and eating the rough food of a soldier, he contracted severe dyspepsia and lost weight rapidly. A friend in the regiment called his attention to Dr. Caldwell's Syrup Pepsin, which he promptly began to use. It not only cured his dyspepsia but increased his weight 42 pounds.

Your druggist will sell you a bottle at 50 cents; or \$1 and you will find it worth a hundred times that to you.

**FREE TEST** Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest and most effective laxative for children, women and old folks. A guaranteed, permanent home cure. **THE PUBLIC VERDICT:** "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPsin." This product bears purely genuine No. 17, Washington, D. C. **PEPSIN SYRUP CO.** 119 Caldwell Bldg., Monticello, Ill.

U., and Miss Amanda Anderson corresponding and recording secretary. D. M. Lackey is very much better. Mrs. George Ballew, of Madison, is visiting her mother, Mrs. Edna Francis. Mrs. Geo. T. Farris is in Jellico.

Farmers were never more behind with their work than at present. Nothing like half the breaking of land has been done and little or no gardening has been accomplished.

George D. Garner has moved his stock of merchandise into J. T. Short's new store-room at Yosemite and his stock shows up much better than in the little hemmed up room where he has been doing business.

Rev. W. G. Tilford informs us that Evangelist Coakley will be here in July to conduct a series of meetings at the Baptist church. Rev. Coakley is a fine preacher and quite successful in protracted meeting work. He was here last June when our people were much pleased with his efforts.

J. C. Fogle and sister, Miss Lizzie, went to Junction City to attend the funeral of Mr. James Shannon. Wallace Hansford and wife, of Boyle, this county, were up Monday to see their daughter, who is in school here. Mrs. Geo. Davis has pneumonia. Dr. Creech is attending her. Dr. Railey, the oculist, was here Monday.

Weak women get prompt and lasting help by using Dr. Shoop's Night Cure. These soothing, healing, anti-septic suppositories, with full information how to proceed are interestingly told of in my book "No. 4 For Women." The book and strictly confidential medical advice is entirely free. Simply write Dr. Shoop, Racine, Wis., for my book No. 4. Sold by Penny's Drug Store.

Henry Jackson, wife and five children were driven from Christian county by night riders and they walked all the way to Paducah. Jackson refused to join the band of riders; they threatened to kill him and his family if they did not leave. The whole family was nearly dead from exhaustion when they arrived at Paducah.

Mr. S. L. Bowen, of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Cure. One dollar bottle and part of the second cured me entirely." Foley's Kidney Cure works wonders where others are total failures. Penny's Drug Store.

The world's production of gold was \$425,000,000 last year, and continues to climb. A hundred years ago the yield was \$12,000,000. Eight years ago it was \$262,000,000. The world's stock of gold has doubled since 1891. In recent years the line of profit in working gold ores has been lowered from \$14 to \$12.

Night riders burned Stephen Ryan's tobacco bed in Switzerland county, Ind., and threatened to hang him if he replanted.

W. L. Wadlington, of Lyon county, raised the cover of his tobacco bed to find it grown up with grass which had been sown there by night riders. This will prevent Mr. Wadlington from raising a tobacco crop this year as the plants will not grow with grass. Mr. Wadlington is a member of the association.

At Lexington, Tenn., the W. C. T. U. women of the town destroyed about 40 gallons of whisky belonging to a saloon man who had recently moved to that place from Jackson, which city went dry April 1. The whisky had been stored in a freight car. The women reimbursed the owner for the whisky destroyed.

As a result of a quiet investigation by Judge Wells and the State troops, warrants have been issued for 10 men charged with night riding in Calloway county, and the soldiers have begun to serve the papers of arrest. The soldiers have brought about quiet in that county, but many of the farmers are still afraid to deliver their crops.

## He Got What He Needed.

"Nine years ago it looked as if my time had come," says Mr. C. Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee at Penny's Drug Store. 50c.

Col. William Jennings Bryan was found to have due him \$600 from the Government. The money represents the sum he earned as Colonel of the Second Nebraska regiment from the time the Governor of the State ordered his command to assemble until it was mustered into the service of the United States.

The business men of Danville being always on the lookout for their interests, which is certainly commendable, and having a well grounded faith now in the building of the Danville, Columbia & Scottsville railroad, they are exceedingly anxious that the road come by here. Although the survey has been completed to McKinney there will be this week offered our people the last opportunity to secure same by subscribing in stock on liberal terms to be paid in installments of \$100 when 10 miles of the road is finished. If the road is built on the present survey which runs three miles south of our city it will surely greatly injure business here.

A pleasant event was the celebration on Friday, April 3, of the birth-day of Mrs. John Dinwiddie and her son-in-law, E. P. Carpenter, at the residence of the latter. Only the immediate relatives living near and one neighbor were present, the number of guests, however, amounting to nearly 25. Four generations were present in the persons of Mr. John Dinwiddie and wife, their daughter, Mrs. Lou Carpenter, their grand-daughter, Mrs. Edna Depp, and their great-grand-children, Frances Depp and James Powell Depp. It is needless to dwell upon the merits of the dinner when it is known that such accomplished cooks as Mrs. Dinwiddie and Mrs. Carpenter superintended it. Let it be sufficient to say that every thing a housewife's ingenuity and skill could prepare was on the tastefully appointed table. Those present vied with each other in showering their appreciation of the viands in the way most approved by a hostess—that of a healthy appetite. During the afternoon music, both instrumental and vocal, was rendered by Mr. Carpenter and his nieces, Mrs. John B. Riffe and Miss Angie Carpenter, and his nephew, King Carpenter. Mr. John Dinwiddie also gave some dear old hymns in a rich, sincere voice.

May these two, whose birthdays were thus jointly enjoyed, have many more years among us, and may we be fortunate enough to help them "celebrate" again. The following guests were present: Mr. John Dinwiddie and wife, Mr. James Pruitt and wife, Mr. D. S. Carpenter and wife, Mrs. Jennie Carpenter, daughter, Miss Angie, and son, King Carpenter, Mr. John Riffe, wife and children, Mr. James L. Depp, wife and children, Messrs. C. C. Carpenter and A. B. C. Dinwiddie and the beloved neighbor, Mrs. Wigham.

A HOT fight for congress is on in the Eleventh district. Col. John G. Matthews seeks the toga now worn by Congressman Don C. Edwards and the latter desires to continue the wearing of it. Matthews is supposed to represent the Caleb Powers side of the fight but Edwards claims to have done great things for Powers and publishes letters from the noted prisoner telling of his gratefulness for favors shown him. From our perch in the tree it looks like Edwards will win but that he has a fight on his hands no one acquainted with the conditions in the Eleventh will deny. We could very fairly referee the little political bout, not caring an iota which wins, and hoping they'll both get beat before the year is out. So here's to Edwards and hurrah for Matthews. We are against them both and may the devil take the hindermost.

REPRESENTATIVES of the Louisville and State Law and Order League have urged Gov. Willson to call out the militia and to call a special session of the State Legislature in order to put down lawlessness in the tobacco-raising districts. Gov. Willson reiterated his previously announced views, but said he would announce his decision in a few days.

A SEARCH of the records at Washington discloses the fact that Don C. Edwards, Congressman from the Eleventh, is the author of 64 laws enacted by the 59 Congress and that the palm of victory belongs to him. Whether this will help or hurt him in his present race for Congress, time only will tell.

It is generally conceded that Hon. Harvey Helm will have no opposition for the nomination for Congress and as he can best any republican who goes up against him, it is pretty certain that the "Tall Sycamore of the St. Asaph" will represent this district for two more years at least. So mote it be.

EX-SENATOR DEBOE arises from his slumber to say that Kentucky will line up for Fairbanks, who is the only republican he thinks who can carry Kentucky.

Congressman Abraham L. Brick, of Indiana, died at Indianapolis of acute Bright's disease. He was taken ill while attending the Indiana republican State convention. His body was taken to his home at South Bend, where the funeral was held.

The Senate passed the army bill practically as reported from the committee, carrying an appropriation of nearly \$100,000,000. During the debate Senator Overman vigorously denied a newspaper report of the existence of peonage in North Carolina.

In announcing his candidacy for Congress in the Seventh district J. Campbell Cantrill charges that a deal was made by which an enemy of the Society of Equity is to be elected to Congress this year. He objects to the calling of the primary for so early a date and insists that it is not fair to him.

"I am a candidate for the presidency in the sense that if I gain the nomination I shall accept it, and make every effort to be elected. I am not making any personal campaign, and do not expect to seek instructed delegates. I consider the ambition to be President one of the most laudable aspirations which any man can entertain," says Gov. John A. Johnson, of Minnesota.

Judge Judson Harmon has issued a statement saying he is not a candidate for the Democratic nomination for Governor of Ohio.

Two new battleships are provided in the naval appropriations bill as reported by the committee in Congress, instead of four, as recommended by the department.

Pence's 1st dam by Belmont, 2nd dam by Garrard Chief, 3rd dam by Grey Eagle, 4th dam by Copperhead. Pence, Jr.'s 1st dam by Ed Barlow, 2nd dam by Volante, 3rd dam by Ed Barlow, 4th dam by Mambrino Messenger. Pence, Jr.'s 2nd dam by Gill's Vermont. ### Chester S.

This son of Chester Dare will make the present season at my barn 1/2 miles from McKinney on McKinney and Middleburg pike at \$10 to insure a living colt. DESCRIPTION AND PEDIGREE.—He is a black with star in forehead, 16 hands high, with all the style and finish characteristic of the Chester Dare family, a good acting horse and a proven breeder. See him before booking your mares if you are looking for a good breeder at living prices. Sired by Chester Dare, 1st dam by Telegraph, 2nd dam by Hippo by Mambrino Chief.

Chester Peavine 3184, A. S. H. R.

In offering the service of this young stallion to the public I do not intend to say he is the best bred saddle stallion that will be offered for service in this county this year, as his breeding will show. Sired by Rex Peavine 1796 by Rex McQuinn 88, 1st dam Miss Madison 466, she by Chester Dare, 2nd dam by Peavine 85, more extended pedigree will be furnished on application. This stallion has the best blood of the saddle horse world in him. Both 2nd dams by Peavine 85, crosses twice to Black Squirrel, twice to Stonewall Jackson, once to Javey Akkin 75. With the style and finish of Chester Dare, the stamina and action of Peavine, how can he breed wrong. His sire, Rex Peavine, produced three champion winners of last year in Edna Mae, Mattie Bales and May Day. See and breed to him if you want the best. Will serve a limited number of mares at \$5 to insure a living colt.

At the same time and place will stand three as good mule jacks as can be found in the country at the low price of \$5 to insure a living colt.

Money due with all the above advertised stock when colt is foaled or when mare leaves hands of owner at the time of sale, but to other stock. All care taken to prevent accidents, but not responsible should any occur. Grass at reasonable price.

R. S. SCUDDER, McKinney, Ky.

He will serve Jennets at \$20 and Mares at \$10 to insure living colts.

Will stand two other Jacks at \$10 to insure living colts. Will also stand the magnificent draft stallion, George Herr, at \$10 to insure a living colt. M. S. BAUGHMAN, Stanford, Ky.

### Dorsey Goldust 12052.

Full brother to Estelle 2194. Sired by Zilenti Goldust 460. Dam Florence by Golden Mingo Chief, tracing back to Justin Morgan on both sides, making him an imported Morgan stallion. He is a dark bay, 16 hands and weighs 1,300 pounds. As a breeder he has few equals; a proven and uniform breeder of high-class show and harness colts of all the qualities for harness and saddle and in demand at top prices. 10 of his get having sold for \$10,800 and 14 3 and 4-year-olds, only farm broken (my own raising) have sold in the past year for an average of \$855.

Dorsey Goldust will make the present season at my farm near Stanford at \$20 to insure a living colt.

Also a large and fine young jack, a grand son of Tom Keene and Joe Blackburn at \$8 to insure a living colt. Mares kept at 10c per day. Good attention, but no responsibility for accidents or escapes.

F. REID, Danville, Ky.

### DON VARRICK.

This magnificent bred young stallion will make the season of 1908 at my place in Stanton, Ky., (better known as the Dr. Bailey place) at \$10 to insure a living colt. Don Varrick is a rich chestnut, 16 1/2 hands, snip in forehead, white feet above ankles behind, short back, excellent bone and fine muscles, just the type you are looking for to breed your mares. Don Varrick is by the great Onward Silver 2054, that sold for \$2,000, he by Onward (one of the very best sons of George Wilkes). Onward was out of Dolly and no mare ever produced 2 such illustrious sons as Onward and Director. Onward 2nd won the Transylvania in 1887 in 2 1/2 heat race, defeating such talent as Susie Jay 2065 and Chain Shot. The same year he won the Banner Memorial and Massachusetts in harness beats. Don Varrick's 1st dam by Wilkes Boy by George Wilkes and a full sister to The Wag 2184; 2nd dam, Mary, by Rex 2184; 3rd dam, Edna Mae, by Rex 2184; 4th dam, Edna Mae, by Rex 2184; 5th dam, Edna Mae, by Rex 2184. This rich inheritance of speed and blood lines should appeal to the public who wishes to breed.

Mares kept at 10c per day. All care taken but will not be responsible for accidents or escapes. DR. G. C. PERRY, Stanford.

### Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I can cure all curable cases of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, those poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

ALMONT DARE.

(Sired by Dignity Dare, 1882, A. S. H. R.) He by Chester Dare 10, he by Black Squirrel 56, he by Black Eagle 74, he by King William 97. 1st dam Foxaway, Reg. in Vol. 10, A. T. H. R., she by Abdallah, Mambrino, he by Almont 33; 2nd dam Lady Davis by Ort Davis by Bourbon Chief; 3rd dam Mattie S., by Foreign Light, by Foreign Light, by Foreign Light; 4th dam Bettie C., by Cunningham's Copper Bottom; 5th dam by Imported Buzzard.

Now—Almont Dare, so far as we are able to discover, is the first horse on record having to his credit the honor of defeating with his own progeny, those of his great sire Dignity Dare, doing so last year every time coming in contact with them. As an individual this is a very attractive horse, standing 16 hands with great style. A beautiful bay with manners unparalleled even by a filly. A remarkable show horse in harness and under saddle. Shows 3 distinct saddle gait, all very fast and pleasant, with speed of a 3 minute clip in harness. One cannot conceive of a finer bred horse, tracing 22 times to imported horses, and the dams' side alone traces to Imported Messenger 4 times; Imp. Diomedes 3 times; to Imp. Buzzard 3 times; Imp. Diomedes 2 times; Imp. Planors, Easton, Florio, Matchless, Phipps, Blackfast, Traveler and others. This is a rare opportunity to breed to one of America's best at \$15.

Will also stand two good mule jacks at \$8 each. Will make the season of 1908 at my place 2 1/2 miles from Hustonville on Hustonville and Liberty turnpike. Grass furnished in abundance at \$2 per month. Not responsible for accidents.

E. S. POWELL & SON, Hustonville, Ky.

He was about 20 years old and a model christian boy, being a devout member of the Baptist church. He spent some time at Phoenix, Arizona, in the effort to stay the dread disease but received no benefit and returned a few weeks ago. He was a nephew of Dr. Acton, who partly raised him.

THE DEATH of a SAINT.—Thousands who have listened to the sweet gospel of love as preached by Rev. George O. Barnes, "the mountain evangelist," as he loved to be called, will shed a tear that he is no more. The end came peacefully Friday at his home on Sanibel Island, Fla., where worn out in the service of his Master he had retired to rest. His years were long upon the earth, 81, and he goes to the reward promised the finally faithful with the love of all who were blessed by the eloquence of his almost divine power. The writer knew him for many years and has listened often in rapture at his novel presentation of Bible truths, which always bore the stamp of earnestness if not of orthodoxy. A bright crown, we verily believe, now adorns the brow of Brother Barnes and that in the land that is fairer than day, which he loved so much to describe, he sings the songs of the redeemed and enjoys the bliss of those who fought the good fight and won the victory here below.—Frankfort Journal.

H. F. Hillenmeyer, the well-known nurseryman, of Fayette county, says that after a careful investigation he is satisfied that there has been comparatively little damage by the cold snap and frost. Said Mr. Hillenmeyer: "The peaches in the lowlands are undoubtedly severely damaged, those on high lands injured very little, while the apple crop, as well as strawberries and similar fruit, are not hurt at all. The English plums, such as greengages, are damaged to some extent, but the American plums, like the wild goose, are unhurt. The principal damage is to the peach crop, and I expect to eat peach cobbler this summer just the same."

John Sharp Williams wants the government to distribute \$25,000,000 among the States for the building of good roads.
